Send Disappearing Photos

Sending disappearing photos in Instagram is very similar to doing it in Snapchat. Here are the steps:

1. From the home page, click the **paper airplane icon** in the upper-right corner.
2. On the next screen, click the **camera icon** in the upper-left corner.
3. To send a normal photo, select the **NORMAL** setting at the bottom of the screen.
4. When you're ready to take the photo, tap the **large circle** at the bottom of the screen.
5. Enhance your photo with text or stickers.
6. Tap the **right-arrow button** at the bottom of the screen.
7. Select one or more friends and tap **Send**.

Livestream Video

Streaming live video in Instagram gives you one more way to have fun and communicate with friends. Here's how to do it:

1. From your home screen, tap on the **camera icon** in the upper-left corner.
2. On the video screen, choose the **LIVE** setting at the bottom of the screen, and tap the **Start Live Video** button at the bottom of the screen.
3. Film your video.
4. When you're ready to stop, tap **End** in the upper-right corner of the screen.
5. On the next screen, choose **End Live Video**.
6. On the next screen, tap **Done**.
